### Chapter 1 by Loveandpeace

I was walking down a hallway and saw a book that said its your turn now. I opened the book and i felt really dizzy and i went on a long sleep. I woke and saw white. A huge castle appeared right in front of me. I yelled hello is there anyone here? I heard a female voice say come in the castle and i did what i was told. I saw a girl standing in the distance with what somewhat looked like horns on her head. I see you have noticed my horns she said as she walked closer to me. Where am i i said as i slowly backed away from the girl. My name is Arianna the girl said. Hi Arianna i said my name is Sasha. I have been expecting you.
